

## Retreat & education space

*With us you rest by learning*

Korbouli, Sakartvelo

# Location

*Estate is located in the heart of Sa-  
kartvelo, upper Imereti region, 100  
km away from **Kutaisi** and 150 km  
**Tbilisi**.*

*Surrounded by old oak and beech  
forests, lush meadows, corn fields,  
rivers and lakes.*

*Diverse natural habitats invites you  
to refill you inner energies.*

# Exterior and yard

Family domain consists of two houses - **Tabasti** and **Godoli**. First was built in 1970's by our grandfather, it was renovated in the recent years to host with modern qualities.

Another house we built from local stone and recycled oak lumber. The yard is infra-structured for various events and soon will have spa-center.

# Kitchen

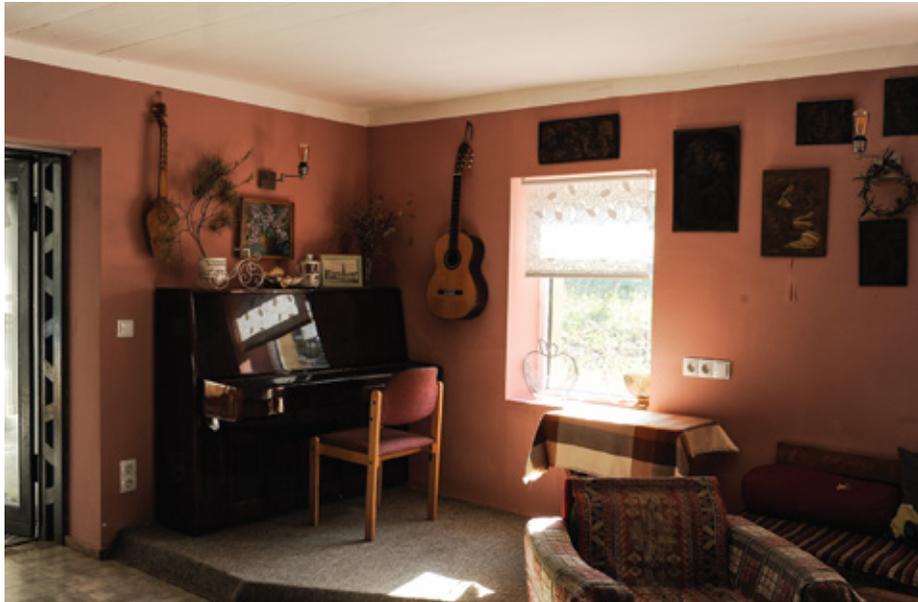

*Renovated house-Tabasti is a two story brick building.*

*On the ground floor kitchen, living-dining area, indoor pool, dorm room, shared bathrooms and laundry room create homy environment and offers warm atmosphere.*

*Your stay will be carefree because we serve a 3-course georgian meals.*

# Living/Dining room

*Living room also creates space for shared, themed dinners, often accompanied by guitar, piano and singing.*

*You can rest, read, practice music, paint and take up activities you were postponing for a long time.*

*Colder days are warmed by fireplace, glass of local wine and deep conversations.*

# Indoor pool

Main room for relax is **indoor pool**, where you can observe ethnographic items from 19<sup>th</sup> Century, along with communist era objects, quite big collection of hats and flasks.

# Library

*In the house you can find diverse places to rest or even work for your personal needs.*

*The idea to create hosting house came from art residency practices, we would love to create same opportunities for people interested in arts, science, philosophy, architecture and other aspects of knowledge.*

# Dorm room

*Dorm room is placed on the ground floor and has 2 bunk-beds, with a shared full bathroom in front of it, through the laundry room.*

*We call it room for students, it can be booked by different people or by the group of friends.*

# Impressionist's room

*On the first floor, the room is themed by the impressionist movement.*

*One wall is painted by the local painter in the same style and shows local scenery.*

*Artistic guests can add their motives and ideas to the room. It has double bed and private full bathroom.*

*It is great fit for the romantic couple.*

# “Karzer-Lux”

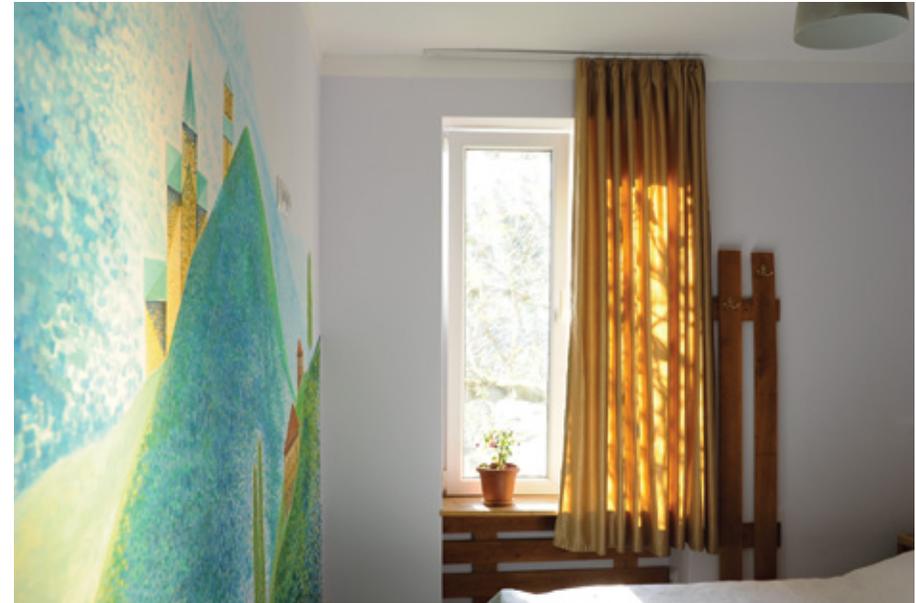

*We chose name depend on georgian novel, where main charachter suggests the idea of karzer, with a lux service, where person has everything needed for comfy life and most importantly books from worldwide literature to treat own difficulties and become better person.*

*This sunny room, with a private bathroom- can be shared between roommates or friends.*

# Ancestor's room

*As a traditional georgian family we honour our ancestors and the whole idea about respecting their life.*

*In the room wall is painted by the same painter, it shows usual Imeretian scenery, with hills, churches and cypress trees.*

*The room has a private bathroom and is perfect for couple interested in traditions.*

# Tbilisuri room

*It was common to have shared bathroom for different families in Tbilisi , so we called the room depend on that.*

*It can be a family suit consisted of two bedrooms and a balcony with a view on mountains. It's most chill, "perfect for the summer" room in the house.*

*Bathroom connects both rooms. It can also be shared with in group of friends or foreign people.*

# Tone

*Beside traditional cooking, outdoor kitchen is used for evening gatherings around ceramic baking oven, with a glass of wine and nice talks.*

*It is first finished spaces, out of many more to create unusual hosting experience. Ceramic, carpentry, smithing workshops. and agricultural practices.*
